

The background is a solid blue color. On the left side, there are several large, white, starburst-like patterns that appear to be stylized flowers or sunbursts. These patterns are composed of multiple pointed petals or rays radiating from a central point. In the bottom right corner, there is a cluster of smaller, similar white starburst patterns, creating a decorative border effect.

Project Management in the Grid Department

Philosophy

- **Define elements of a project that should be delivered by the project manager**
- **Will differ depending on size, duration, complexity... of project.**

Who?

- **Project managers of Grid Department based projects**
 - **Where project manager is in the GRID Department**
- **Project members of Grid Department based projects**
- **Grid Department line managers**

What?

- **Project Charter**
- **Stakeholder list**
- **Stakeholder communication plan**
- **WBS (formal or casual)**
- **Requirements Document**
- **Design Document**

What?

- **Project plans as applicable**
 - Resource needs
 - Testing
 - Integration
 - Move to production
- **Project web site**
- **Documentation**

When?

- **Now**

Where?

- **In projects in the GRID Department**
- **In the CD in general**

Why?

- **To better communicate with our stakeholders, line management etc.**
- **To help support the decisions of the project manager**
- **To help increase the accuracy of project related estimates**
