

SCG / GCC Department Meeting May 2011

Overview

- On new people this summer... (?)
- Safety
- New people this summer
- Training
- Other Dept. Issues

May 4, 2011

Gabriele Garzoglio
Computing Division, Fermilab

On new people this summer...(?)

Safety: it's that time of the year again

- Reminders for bicyclists:
 - Obey all traffic signs, laws and signals.
 - Ride no more than two abreast; in particular, do not block passing traffic.
 - Wear a bicycle safety helmet.
 - Ride in the same direction as cars in your lane.
 - Stay as far to the right side of the road as practical.
 - Ride predictably.
 - Signal your turns.
- Reminders for motorists:
 - Leave at least 3 feet when passing.
 - Watch at right turns. Is there a bicycle to your right?
 - Yield to bicycles as you would to another vehicle.
 - Use turn signals.
 - Watch where bicycles can enter the road, especially at right turns.
 - Look for bikes when getting out of your car to avoid door-bike crashes.

Additions to the dept. for the Summer

- Hyunwoo Kim (KISTI)
 - Started on Apr 25
 - Work on FermiCloud / FermiGrid and CDF
- Seo-Young (KISTI)
 - Start on May 12
 - Work on FermiCloud / FermiGrid and CDF
